The background of the entire page is a photograph of a room. The walls are covered in large, rectangular panels of Alabaster Sheet, which have a warm, yellowish-orange hue with intricate, vein-like patterns. In the lower-left foreground, there is a brown leather armchair with a high back and two cushions. The floor appears to be a dark, polished material.

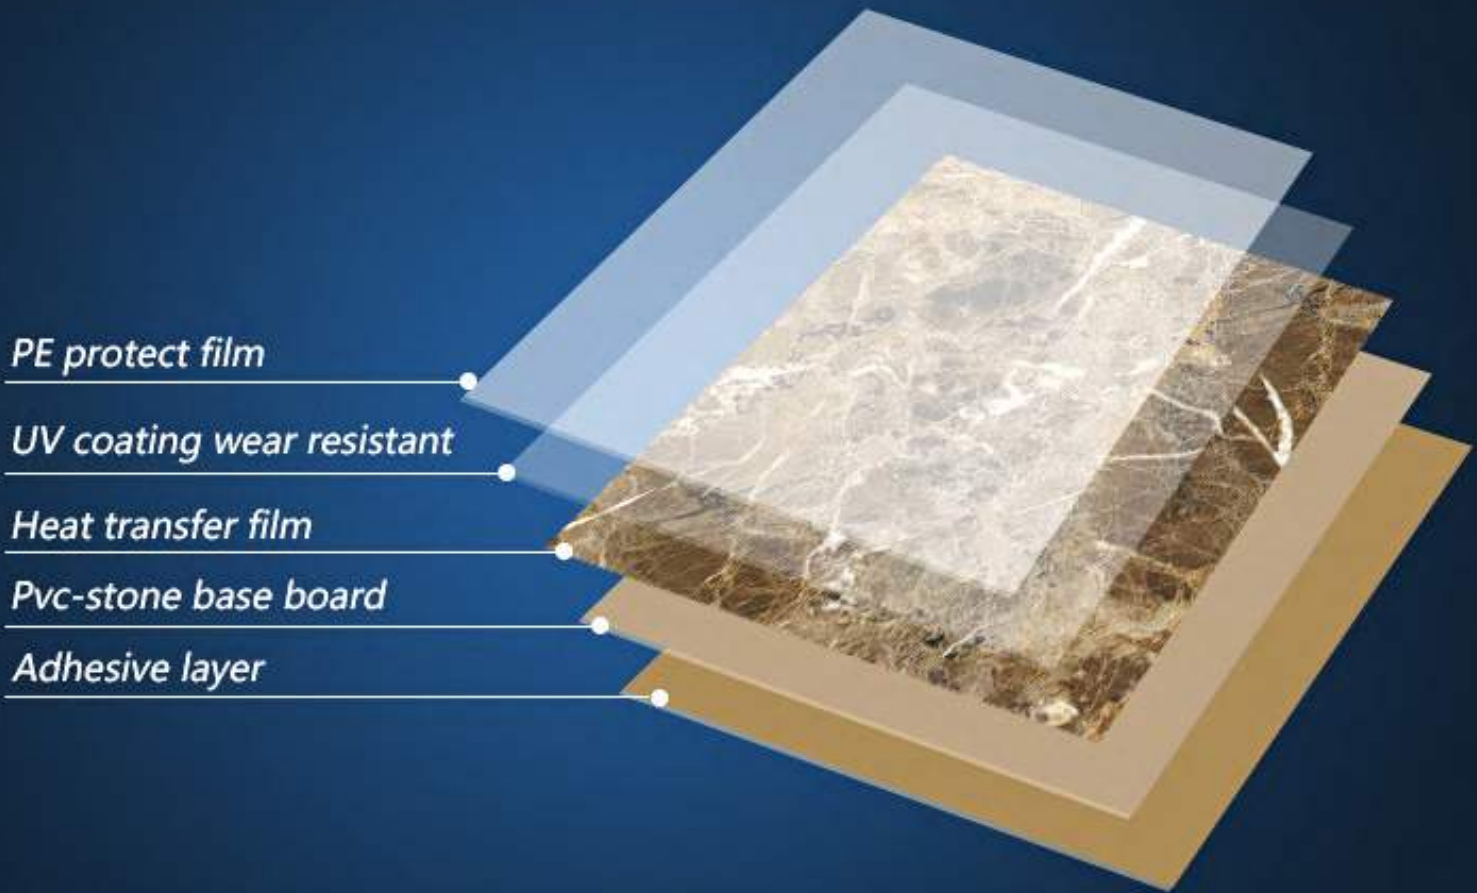

# Alabaster Sheet

Alabaster Panels. A Malleable Natural Stone Looking Product.

it looks just like alabaster is light transparent and malleable. It has the look of natural stone but is two thirds lighter and you can cut, router, finish with wood working tools. The use of Alabaster Sheet Panels in interior design produce extraordinary effects because the alabaster is the Translucent tone for excellence.

# PRODUCT CHARACTERISTICS
